GROWTH CONSULTANCY for Social Housing & PropTech SMEs

EXPERIENCE THAT DELIVERS

Are you a UK proptech SME looking to grow your business?

If so, you need the help of someone who understands the social housing and proptech market and can help you develop a winning strategy.

Stewart has helped a number of proptech SMEs achieve their growth goals. He knows what it takes to succeed in this competitive market, and can help you:

- ◆ Define your target market and develop a go-to-market strategy.
- ◆ Build a strong brand and establish your presence in the market.
- ◆ Develop a compelling value proposition and differentiate yourself from the competition.
- ◆ Create effective marketing campaigns.
- ◆ Assist in securing funding and grow your business.

We offer a variety of services to help you achieve your growth goals, including:

- ◆ Growth advisory
- ◆ Fractional executive
- ◆ Board advisory

Stewart works with SMEs of all sizes, from early-stage startups to established businesses. He is committed to helping his clients succeed, and will work with you every step of the way to achieve your goals.

Contact us today to learn more about how we can help you grow your proptech business.

*"Stewart has proven
an invaluable resource...
From the outset Stu advised
on the particular challenges
faced by landlords and contractors...
This guidance became the
foundation upon which we
have grown success..."*
Jeremy Squire, FLS
